

# **Profile**

# Daniel Robertson, MD

Senior radiologist specializing in chest and abdominal imaging and emergency radiology. Over 10 years of experience in high-acuity academic centers, with focus on protocol optimization, structured reporting, and rapid, evidence-grounded imaging evidence for critical care teams.

- Led ED CT estimination replicat that reduced does to CT time by 29% and repeat some by 12% via registed.
- Involumented structured reporting templates for PE, acetic syndrome, and acute abdomen, improving critical. most turnsowed by 1850 Co.led lung nodule tracking program integrating Fleischner guidelines into PACS/RIS, increasing guidelines
- conceptant follow on adherence from 68% to 92%. 25+ peer-reviewed publications and invited talks on emergency CT pathways, contrast safety, and reporting

Hamped Medical School Boston MA Ductor of Medicine (M.D.) 2012 University of California Berkeley Berkeley, CA B.4. Moleculer & Cell Biolom (Henory)

### INDUSTRY EXPERIENCE

New Haven, CT Senior Staff Rediclosist - Chest/Abdominal # Emergency Imagine 2018 - Present

- Provide subspecialty interpretations for ED and invation services (CT/MRI/US/XR): lead acute-care
- Chair, ED Imaging Protocol Committee co-lead multidisciplinary trauma and PE nathraws with surrery and pulmonary/critical care.

Massachusetts General Haspital Boston, MA Fellow - Emergency & Trauma Radiology 2017 - 2016

San Francisco, CA

Resident - Diagnostic Radiology 2013 - 2017- Chief resident (2016-2017); initiated contrast safety bundle and ED CT order set revision with informatics

Brigham & Women's Hospital Boston, MA

Intern - Preliminary Medicine 2012 - 2013

## Imaging Modalities: CT. MRI, Ultrasound, Radiography: CTA/CTV: dual-energy CT.

- Procedures: US/CT-mided biopsies and drainages: thoracentesis: paracentesis: emergent line. . IT & Systems: PACS/RIS, Epic, Nuance PowerScribe, structured reporting, critical-result communication
- Quality & Safety: Protocol optimization, radiation dose monitoring, contrast reaction preparedness.

Teaching & Leadership: Resident education, simulation design, interdepartmental nathways, multidis-

ACADEMIC SERVICES

Professional Societies: American College of Radiology (ACR): Radiological Society of North America (RSNA): Society for Emergency Radiology (SER)

Reviewer: Emergency Radiology, Academic Radiology
